ESSEN®
candy factory

2012
Production lines for crispy rolls and line of hollow wafers under brand "35" were launched.

2013
The company starts production Candies "Q" and expands the range of brand "35".

2014
Due to growth of sales brand "35", the company increases production capacity.

2016
Launch of a new production line for TRUFFLE candies.

2017
Start production of mini-chocolate bars "Zolushka" and sticks "BERLINGO".

2018
Launch of 2 SKUs of candies under the brand "Cho Ko-te". The company starts developing the segment of kids' candies with natural colors, without preservatives and with a high milk content. In the same year, the company produces a new category of chewy candies. Market analogues are only foreign brands.

2019
New shape of candy – stick under brand "Cho Ko-te". New production line for snacks and extrusion-type products – "CrashBash" and "Beseda". Based on the wafer candies market research, the company launches a line of wafer sweets brand "Dayozh".

2020
The company continues increasing the production capacity of Dayozh. The consumers choose those candies.

2021
The company launches innovative products in the mini-desserts category — glazed candies "TIRA" and "QVINTO". All analogs are imported.

2022
Expansion of different tastes of candies under brands "Dayozh" and "Cho Ko-te".

2023
Launch brand "Cho Ko-te" in the category of ready-made breakfasts. The company starts producing chocolate, soft toffee, and chewy candies with fillings.
